THREE SMALL FIRES IN PAST FEW DAYS.

A fire was caused at the home of D. C. Steel, at 703 North Richardson avenue at seven o'clock Wednesday night by bringing a pan full of gasoline too close to a burning lamp. Mrs. Steel was cleaning a skirt and the gasoline fumes soon spread to the lamp, causing a light explosion and setting fire to the whole interior of the kitchen. The interior was well charred before the fire could be put out, but the fire department did good work in saving the building, which is the property of the Sheridan estate.

The home of Fire Chief Charles Whitman at 306 North Pennsylvania avenue was threatened by fire at one o'clock Wednesday afternoon when it caught fire from the chine-burning kila of Mrs. Whitman. No alarm was sent in, Mrs. Whitman preferring to call the neighbors and put out the blaze herself, with their assistance, rather than take chances on getting her house wet.

A pile of boxes at the rear of the Hobson and Commercial Club buildings proved a good place for a fire at ten o'clock Thursday night. The department responded and put out the flames with the chemical extinguishers. The feature of the fire was the wetting that was given a crowd of young men, who were standing near, "hoo-ra-ving" the firemen.

WILL OPEN A STEAM LAUNDRY AT CLOVIS.

Mr. and Mrs. G. A. Payne left this morning for Clovis, where Mr. Payne will open a steam laundry about the first of February. He returned Thursday evening from a trip to that place, where he bought a lot, let the contract for a building and ordered his machinery. Mr. Payne is an experienced laundryman and will no doubt make a success of the business at Clovis.

Attend the concert Tuesday evening at the Christian church given by Miss Eva Nelson, assisted by local musical talent.

GRAFT SCANDALS IN PITTSBURG ABSORB ATTENTION

Pittsburg, Pa., Dec. 24.—While the graft scandals are absorbing public attention, there have been no new arrests, but it is intimated that this is only temporary. Apparently both the prosecution and the defense, as they are officially and unofficially known, are getting the "second wind" following the sensational developments of the last two days. It is said the efforts of the investigators will now be directed towards others implicated in the alleged corruption. The seven councilmen and two bankers arrested Monday night have been held for court.
